“ *Grandma I will miss our daily morning conversations. You knew exactly what to say to make me feel better. I liked your sense of humor quick wit and all the little spanish sayings you had. I will always remember our last trip to Taos New Mexico in July 2013 we took you were up for any adventure. We had so much fun we had listening to the mariachis at the fiesta and finding a place that sold carne seca with new mexico green chili. Matthew got to know his great Grandma through the years not too many kids can say that. He liked staying at your house and playing with Charito. You will always be in my heart and I am proud to have your name. Till we meet again Grandma in heaven. From one Alejandra to another Alejandra with much love and respect.
Love hugs and lots of kisses, Alejandra (Alie), Chris & Matthew Deyan*

“ *My fondest memory is when i was a child, we always went to her house and ate watermelon. Also we enjoyed the time that they lived in Victorville California and Tio Estevan built my mom's kitchen cabinets. And also the conversations we recently had with her on our trip to Albuquerque. Will miss her sharp wit and candid opinions. Love you Tia. Evaristo (Buddy) Perez.*
