“ Grandma and I share a very special unique bond. She could call me with her thoughts. These last eight months God set apart just for us to be together, love eachother and bond like never before. Today I can say I'm the luckiest women in the world because I He gave us this special time together. This women (Grandma) is and always will be such a special amazing Person who gave birth to my Dad who is one of a kind. “ *DeVargas Family: My aunt was the most beautiful person inside and outside she loved the Lord first as well as her family. I will always remember her sweet loving spirit. But now she is with the Lord and her extended family. May she rest in peace and may God grant you the peace and comfort you need at this time. She will be greatly missed.*
