“ *None of us can live forever, and I suspect Al had few regrets when he closed his eyes for the last time. Still, I wish he'd been around a bit longer. There were lots of questions I wanted to ask him; lots of stories I wanted to hear. We'll miss him! He was one of the GOOD GUYS!*

“ *Betty, Chris, Nicky, I have many memories of Al, all wonderful. He was a brilliant man, and was quick to share an historic moment or his command of the outdoors and his love of firearms. He was a dedicated father and husband, and I cherish the memories of the man, and really, the whole family. He made the world a better place to live. Godspeed.
See you on the other side.
