“ *As a young girl I always remember asking my Aunt Alice for a taste of her delicious coffee. She loved her coffee and she made it just right. I will always remember her kindness to our Mom and us girls and for always taking us in. We celebrated her last birthday with dinner and cake at Sistor's house. Aunt Alice is probably playing bingo up in heaven with all her family. My condolences to Tony and Stevie. David & Eunice.*

“ I have fond memories of weekends and summers as a teenager staying in Roy with Auntie and Her family. Hours spent playing cards, dancing and singing all around her house, Playing the piano in that little room. Trying on her Fancy Grown up Lady shoes (size 3) and being thrilled that they fit. Spending time with her just talking about nothing. and of course, there was the Kitchen fire incident none of us will forget. Never did my Aunt ever raise her voice or show frustration with me. And I'm sure I gave her several opportunities to be frustrated with me. I never heard Auntie utter a bad word against anyone. She was Kind, Gentle and Loving. Aunt Alice was loved by everyone who knew her. She will be missed and thought about often. My heart hurts for her Sons, Sisters, and all of us that were a part of her life. Rest in Peace my Dear Aunt. We love you.
