“ It was an honor to work beside Anna Wheeler. Her compassion for her students and the desire to have them be successful in their 1st grade experience could not have been exceeded by anyone. Her love for Dave was only exceeded by her love for Lady Godiva Chocolates. Anna will be remembered fondly.

“ It was my priviledge to serve as Anna's hairdresser for many years. Her smile and sense of humor made everyone have a pleasant day. I will always remember her telling me that "PHD" stood for "piled higher and deeper". She will be missed by all that knew her. Rest in Peace. Linda
