“ Anne and her husband Ray and sons Vincent and Nicholas would visit our family in Chicago in the 1960s and we enjoyed their visits so much. Lots of laughter when they came. We boys would play together and I remember Anne and Ray and my parents having such a great time visiting. My Dad was great friends Anne's husband Ray.

“ Aunt Anne was my and my Dad's favorite. I remember visiting with her and her husband during many summers as they returned to Chicago to visit family and as I recall for her husband to continue his education at Roosevelt University. Aunt Anne was gentle, kind, warm, caring...you get the idea!! I appreciated the opportunity to visit with her last fall when I traveled through Albuquerque. We are all a little blessed when God brings people like Anne into our lives. Bill & Sandy Puchlevic, Camarillo Ca.

“ I knew Anne for almost 20 years. We both lived at the Sunridge Village apartments. We were neighbors. I would spend a lot of time outside watching my son Dennis while he played. My son was only one years old when we first met Anne. We would see Anne sitting out on her porch just enjoying the day. Dennis would walk over to where Anne was sitting and smile at her. As the years passed, my son and I grew to love this very special, beautiful person. I will always remember the special things she did for my son and me. We would always remember Anne's birthday and take her a little surprise. My son is now 20 years old and still remembers how kind Anne was to him. We were truly blessed to have had such a wonderful person in our lives. She will always have a special place in our hearts. Beth Sanchez

“ My sympathy to the family. I was a band student in Tularosa and have fond memories of Mr. & Mrs. Cole. May God's arms of peace and compassion be with your family at this time. May you know the unconditional love of our Lord.
