“ To Chani Washington and Chantelle Evarage , I just wanted to say I'm truly sorry for your loss. No parent should ever have to experience this type of loss. Death is such a difficult concept to accept simply because God did not purpose this for us. For that reason, we will never be able to accept it. God actually hates death and calls it an enemy. Very soon He will stop it once and for all. (1 Corinthians 15:26; Isaiah 28:5). The true comfort comes from God, “He heals the brokenhearted; He binds up their wounds.”(Psalms 147:3). So trust in him so that he can provide you the comfort that is needed during this difficult time. My sincere condolences and may you find comfort in these words.

“ My condolences to the family. May the God of all comfort help you during this most difficult time. Life is so short, however it wasn't God purpose for life to be like this, soon God will make all his promises in the Bible a reality. He promises,"the hour is coming in which all those in the memorial tombs will hear his voice and come out."(John 5:28,29)Jehovah God promises to bring our loved ones back to life and end suffering.(Revelation 21:4)May these promises bring you some peace knowing that soon we will be able to be with our loved ones once again here on earth in paradise.(Psalms 37:29)
