“ I am so sorry for your loss. I am a staff member at CNM and worked with Barb for many years. We had the same love of beadworking and were always trying to get together to have a beading party. I will miss her so much. She was a wonderful woman. Lillian Cordova

“ I am so sorry to hear about Barbara. She was first my tap student at my studio and then would sub and I realized how really remarkable she was. So she became a very beloved teacher. I loved her dearly and we laughed and danced together for years. She brought a wonderful light to all who knew her. Her family is in my thoughts and prayers.

“ Barbara was a blessing in my life. Her happiness and joy was infectious, and she helped me and my children in more ways than she could ever know. One of the most generous people I have met and I am happy to have been able to call her my friend. I will make sure I honor her spirit and pay forward all that she gave to me-most importantly the strength to smile in the midst of pain, and life's hardships.

Love you Barbara!
