“ *I'm just curious as to what family is not approving our entries? I am her Granddaughter.*

“ *I remember Barbara from KAFB. We worked together. Went out for lunch and had fun at happy hour. Took care of her cats, when she and Charles went out on vacation. Many good memories.*

“ *I have so many memories...I remember flying, I remember Florida, I remember the newspaper wallpaper you used to have and your Beethoven collection, the windmill. I loved sharing the same birthday, I could always remember yours. I love you!*

“ *Beth, so sorry you have lost your mom. I worked with Barbara on the base and she was so much fun to be around. She spoke of you often and I loved her stories about summers in WI on the lake--my family spent summer vacations on a MN lake--Barb and I both loved to swim and would often swim in the base pool on our lunchhour. So much fun to buzz around in her little VW bug. She was a very special friend.*
