“ I just learned today of (aunt) Barbara's passing. Her's was a life that mattered and a life well lived. While I'm saddened by her passing, I praise God knowing that we will be together again. Her earned title of "Sweetie" sums up her life. She touched my life in so many ways and I am a better person for being able to know her along this journey. I loved sitting, talking, and learning from her. I know there was an incredible celebration when she walked through Heaven's door and knowing she and Uncle Elmer are once again together puts a smile on my face. I love you Aunt Barb and thank you for sharing your life. You will forever be in my heart.
