“ I will remember Barb as always smiling and giving out kind words when you needed it. We had good memories together and she will be truly missed. She loved her children and grandchildren so much. Even when she moved away we still kept in contact by phone. She always sounded upbeat and never complained.....a real fighter. She is in a better place now. May God Bless her and I hope she dancing in heaven. My heart filled condolences, Bev Serlise Medvec

“ She was so young at heart. I can hear her laughter. Always cheering on her 'kids' from the audience and dance floor. She still will be , from a much better seat. My heart goes out to all her family.
