“ I first knew Bobby almost 40 years ago when I was a new member of the American Business Women's Association (ABWA). I was still in college at the time. She was a "seasoned" member of ABWA, and a role model and mentor to me in many ways. I am grateful for knowing her. In more recent years, she has been a part of a group of our "old ABWA members" who have gotten together every summer to visit and catch up on everyone's lives. God Bless You, Bobby. My sympathy to your family.

“ My first year at Highland High was 1967, when I returned from Peru in 1970 Bobby Oltmans had joined the Home Economics Department. She was not only a "cherished colleague" she became a "significant figure" as a teacher at Highland High. Sponsoring "outstanding" cheerleaders , ran an "successful" Upholstering class and supervised the Parenting program.I am sure all who knew her would want to join me in sending our love and best wishes to her dearest family.s
