“Everyone at our medical office is shocked and saddened by the news of Barbara's passing. It was always a joy to see her smiling face walk into our clinic, and I personally looked forward to every visit with her. She possessed a certain spark of positive attitude and warmth that was infectious to us all. We will very much miss you Barbara. May God bless you and your family. Sincerely-Chris and the clinic staff--Alisha, Christina, and Michelle

“ *I was really sad to learn of the passing of Barbara. I had the privilege of working with Barbara at Alliant, National Electric and KRQE. She was always someone I could count on and depend on not matter what. She was a wonderful friend who always seemed to have a positive outlook and a laugh in her voice. We had a lot of fun over the years. She loved her girls and would always talk about them and how proud she was of each of them. The world lost a special person with the passing of Barbara and I know that I will miss her. God bless you Barbara....I know you are in a special place watching over us.*
