“ We were so saddened to hear of Bev's death. She was a very, very special lady. I was only a small child when she and Gordon announced that they would be moving to New Mexico, but it had a big impact on me. I did not want them to go! While they lived in North Loup they were an important part of our lives. I was always so excited when they would come back to visit. She will be missed greatly. You have our thoughts and prayers...Duane and Darlene (King) Psota

“ To Beverly's family: I am so sorry to hear about Beverly. I first met her when I moved to Albuquerque and started working for her at First Interstate Bank. She was a warm, funny and fair person to work with, and I missed her when I moved to another position at the bank.

My best memory of Beverly is when I first started working at the bank in 1981. When it was time for my first paycheck I didn't receive one, and when she called Payroll for me we discovered that I hadn't been entered into the system and wouldn't receive a paycheck for 6 weeks!

When Beverly gently broke this news to me I was very scared; as a single person new to Albuquerque the prospect of no paycheck for so long was devastating.

Several minutes later Beverly approached me with an envelope with \$400 in it.....from her own pocket. She quietly gave it to me and told me I could pay her back when I received my paycheck, which I did.

I was so grateful to Beverly, and that act of kindness brings tears to my eyes as I write this. I've never forgotten this thoughtful gesture; it meant the world to me (and still does).

Thank you for the opportunity to share my favorite memory of her!

With sympathy,
