“To the family of Bill Ehret---I had the pleasure of meeting Bill, as I was a good friend and co-worker of Joyce when we worked together at Sandia National Laboratories. Bill accompanied Joyce to a family celebration of mine in Belen. Even though I only met Bill once, I knew he was a very special person. Joyce would always talk about him when her and I would get together for lunch, etc. after she retired. I would think about Bill occasionally and wonder how he was doing after Joyce passed away in 2012.

*My deepest condolences to your family. You are in my thoughts and prayers during this difficult time.*
