“ *Aunt Billie has always shown that she cares about our family. She would give us special cards and gifts at holidays. She offered her home for a wedding shower for me. She told me she like to hear my girls sing. I'm glad we were able to bring our caroling group to her home last Christmas and sing for her (and the other residents also). I will miss her. I ask for special comfort from the Lord for you both Gloria & Tommy.*

“ *Aunt Billie was such a sweet, kind person. She took me in as family when I married her nephew, Ron Anderbery. I will always remember her for her kindness, generosity and friendship. She was definitely 'one of a kind'. To her family: Gloria and Tom you were very lucky to have such a loving mother. To Marie: I know you have many fond memories of your sister, and probably had many secrets between the two of you. May God comfort all of you in this time of loss and have the assurance that you will see her again when we get to heaven.*

“ I used to call her Grandma Billie... She was a very kind women who treated my family as her own even through we weren't related. I remember stopping at her house when we would travel through Albuquerque, and everytime she would give me strawberry candies all the will with a lovely smile. I can see it now as I think about her.

“ Billie was one of my mother and father's best friends. They met while my parents, Pinky and Jodie McDaniel were living in Albuquerque. Over the years, Billie and my parents shared stories about the lives of their children and grandchildren at least once a month. Billie helped to decorate the reception hall for my brother and sister-in-law's wedding. Life long friends are such a blessing. Billie will be missed.
