“ My mom told me she read in PNM's retiree book that Billy passed away. I pray for his entire family to find peace & comfort through the lord during this trying time. I know he would want all of them to be okay. We only spoke on occasion to update each other on our lives. Billy, your presence at Tom's funeral meant so much to us, I know ya'll were close. I felt so sad that day & only you could be the one to make me laugh so hard when I showed you a pic of my cute puppy & you renamed him "Double Ugly", but then every time we spoke you asked all about him. You join another great man in heaven, your father, who you love dearly. Tutte le more', whatever it meant, you cracked up every time you said it. Don't worry, I'll take good care of Double Ugly and you will be missed but never forgotten by many.

“ I met Billy 30 years ago at a PNM golf tournament. I was in his foursome and I don't think I ever laughed so hard in my life as I did that day. We went on to become good friends and had some great times together. He was definitely one of a kind and will be missed by all. Greg Nugent

“ I had the pleasure of knowing, and working with, Billy for his entire PNM career. He was always fun-loving, capable and committed. We played basketball for a number of years and some golf, a lot of fun. I'll always remember his laugh, his ribbing and his ability to get along with all people. We had many laughs, beers and some good success. Billy, take care and see you down the road.Regards, jeff sterba

“ A one of a kind classic guy's guy; bright and fun loving. Billy built some financial models for me/my team in my PNM days on a few proposed generation projects I was project managing for the company and did such a great job. I think I drove him a little crazy on details, but he grew to understand why I was so picky on these pro-forma models. He was top-notch, and we got along great working together. Post-PNM we would play a little golf with the Fantastic Foursome of Padilla/ D'Antonio/ Groves/ Salvo and it was like being at The Comedy Club for a few hours at a time. Great fun memories, and he will be missed by all. It's a sad loss for me, for our mutual friends, and for the utility industry. Jack Groves

We knew Billy from our time with the North Valley Optomist Club of Albuquerque -he was a very friendly, funny and great guy always willing to go above board to help those out who were in need. Our boys (Michael and William) went to school together and still keep in touch to this day. Have missed seeing you "Pinky" and if you need anything just e-mail me. Meanwhile- we send our thoughts and prayers for all of you. God Bless and Keep you ~ Tina and William Albert.

“ Billy and I played a lot of softball together in the good old days at PNM. I will never forget either his humor in the face of a tough loss or the class he would show following a hard-fought victory. Billy's attitude about such things taught me a lot. I will miss his infectious laughter and kindness. Till we meet again Billy.Tom Wray
