“ Dear Bradley Family, hello. I am so sorry for your loss. I am hoping that the following thoughts I am sending will be of comfort to you at some future time. Please take care.

The faithful man Job said: “If an able-bodied man dies can he live again? . . . You will call, and I myself shall answer you. For the work of your hands you will have a yearning.” (Job 14:14, 15) This denotes God’s earnest longing and desire. (Genesis 31:30; Psalm 84:2) Clearly, God must keenly anticipate the resurrection. Can we really believe the resurrection promise? Yes, there is no doubt that God and his Son are both willing and able to fulfill it. What does this mean for you? You have the prospect of being reunited with dead loved ones right here on earth but under very different conditions!
