“Brittany was a beautiful person. I have known her for many years and I can honestly say that in that time I can not think of one time that I saw her anything but happy. She always had this peacefulness about her. She was a kind hearted amazingly wonderful spirit. She will forever be missed and constantly thought of. Seeing all the wonderful things everyone, even strangers, are saying just confirms her beauty. She touched many lives and still continues to do so. My deepest condolences to her family and close friends. You are all in my thoughts and prayers.

“The beauty of life seems to be how you positively affected the lives of those around you. Brittany's spirit made her even more beautiful in whatever she did. She had a smile that could melt ice, a contagious laugh and a loving heart that she wanted to share. Since we do not get to choose how long or when this life ends, let us then live each moment as Brittany did; with love, caring, sharing, laughs and a warm and giving heart. Our heart breaks with you guys. Please know that we love you dearly and deeply appreciate you and your friendship. May God keep you and comfort you now and in the future.
