“ *Caitlin Hubka was in my class at CNM, MUS 1140, Music Appreciation, I was told of her passing by her roommate who is in another class of mine. I am so sorry for your tragic loss. Please know that the work she did in class was excellent. I do not know why she stopped attending after the 5th week, but I see that she enjoyed music and sang in choir. I hope that she was happy with the musical experiences we shared, she seemed to enjoy herself when present. Again, my deepest condolences to you, your family and to all that knew her. You have my prayers. Daniel Davis, Professor of Music, Central New Mexico Community College (CNM).*
