“ Dear Ones,
We just read about Bud's death. We are sad for your loss - and sad we did not know about it at the time. We would definitely have attended the service for him.
He was a special, special man. Tim's comment was, "He and Betty are together again."
For that one thing, we rejoice.
Again, our condolences.

“ My Dad was the greatest Dad that anyone could have ever had. He loved his family and his God with all of his heart. I treasure every minute that I was able to spend with him and will miss him very dearly. I know without a doubt he is rejoicing in Heaven with Jesus and Mom and he can once again eat that pizza and hamburger that he longed for at the end. Love you Dad! 🍔🍕

“ My grandpa was such a wonderful man. I will always remember how much he loved and adored my grandma. You could always see the love in his eyes. I know they're enjoying each other's company. What a legacy!

“ Bud was my very favorite neighbor. My fondest memory of him was him sitting in his lawn chair in the garage waving as we all went by. He will be missed!! My condolences to all the family.

“ I'm not even sure where to start when it comes to Grandpa. I hope that my children can someday find the path he left behind and continue in his footprints next to another very important pair. For now, I pray my family uses this time of sadness to realize what little time we really have, and depend on each other for healing. Love you Grandpa, You will be missed & thank you for the time we did get to keep you.
