“ Dear Lauren is was with great sadness to here about your mothers passing. I recall with fondness both of your parents when they visited the keno department at the Imperial Palace. Your mother was a amazing lady. Please except my deepest sympathy, Marcia Pacheco

“ Dear Lauren - I was so so sad to hear about your Mom. What a wonderful lady, and how fortunate I am to have known her for these past 40 years. The special MDA events with my brother Rene' and your brother Colonel... and I remember well in 1982 bringing my newborn CJ up to Dillard's Toy Dept where Cherie was the manager so she could take a picture of him in a doll bed :-) Charming lady! And then last summer we had such a special visit and lunch. She was a blessing and one of those angels among us, and I won't forget her or your family. Much love to you.

“ *My dear friend Lauren, my Prayers of Comfort and Courage are sent to you at this time. Your Mom Cherie, was a grand Lady with a great spirit, a wonderful, humorous wit, a great storyteller, and a special friend to me. I enjoyed my days spent with her and sometimes if we were "Lucky", a visit with the Turtles! Cherie, you will be missed but with many "smiles" of good times spent. Heaven awaits a special Angel. Love and Prayers, Averil and Scott*

“ They broke the mold when they made Cherie--she was one of a kind and much beloved by so many. She was a lady who loved people and made her life all about giving to everyone. Her enjoyment of people and experiences was contagious, and she was always full of fun. I will remember her with fondness and love always.

“ *I've known Cherie for 4 years which seemed for ever she spoke of her son, and husband whom she has gone to join in heaven, she spoke of her daughter Lauren always of how she was headed out to Las Vegas Nevada to see her daughter on how she helped out at her shop being and how they cooked. She was a great lady had nothing but good things to say about people and had a story of how they meet. God bless you and love you Gina and family.*

Aunt Cherie was a very special Aunt to the our family, her presence and magnetism took over a room. Even though we lived miles away on the East Coast she never forgot to send a special something and a kind word at the Holidays and was always there with open arms when anyone came to visit. She was full of the confidence and stamina, that most wish for. Her love and devotion to her family will always be her trophy, and she leaves a lesson to all, that even though life is not always fair, one should never lose site of who they are and what they still have to offer the world.
