“ I had the pleasure of working with Chris at UAB. He was an amazing coworker. No challenge from Cerner stopped Chris. As others have said, he became my friend. He shared his heritage as an American Indian so I could better understand the gifts of the American Indian as well as the tragedy of their past. Chris loved his family and daily made us laugh at UAB. The time I had with Chris was short, but the memories are everlasting. My prayers are with you as you go forward.

“ Chris was always a friendly young man when my sons went swimming at his home in Plano, TX. The boys truly had a wonderful time... His mom, Sara would fix my hair and give the boys a hair cut. We have such memorial times when we lived in Texas. May the great Spirit protect him. Love, Errol, Koty, Doug, Travis, Casey and Twyla CrowGhost..

“ I got the pleasure of not only calling Chris an associate while we consulted at UAB, but a friend, I would randomly get texts from him after I left there just saying crazy things to make me laugh. He knew I loved french fries and about once a week, he would either give me some of his french fries, or just buy me an order. Big heart! Heaven is lucky.

“ My heart is breaking. Chris was a member of my team of consultants through Healthlink at Tenet Healthcare. He was a vital member of "my boys". I particularly remember how thrilled he was when his darling daughter was born. My thoughts and prayers are with Nina and her children.
The world lost a beautiful soul.....

“ Chris and I worked together at UAB. He was such a talented and helpful person. I could always come up with a new way to challenge his mind relating to Cerner and he loved meeting and exceeding the challenge! He was a great team member at UAB. He is and will always be greatly missed!
