“ I'm shocked to find out about the passing of Cody. I was a sweetheart of codys in high school. In fact, he was my first love, and the one I sadly let go of. My heart hurts to know that we had not seen or spoke in many many years. I broke Codys heart, but he managed to forgive me and he tried to reach out to me several times through the years but I never saw him again. I wish so badly I could have said hello or even goodbye.ge taught me how to drive in the Suzuki at the cabin, me Cody and pepper the dog. We rolled around in the grass by a creek just teenagers in love do. Music, classic cars, bow hunting and so much more I could say cody taught me . But one thing I know a nobody has ever loved me the way that he did. Never have never will. My condolences to the goslar family, Julia and Amy and of course Hoyt, whom I'm sure a pretty amazing. Cody, I hope u are checking out the dark side of the moon for me and resting "comfortably numb"my friend

“ I am deeply saddened to hear the loss of Cody; he was such a wonderful, outgoing, and fun person. Cody was both a Friend and a Teammate. As it turned out, we never had the opportunity to work together, but that was enough to get to know one another. Cody was always ready to lend me a hand whenever I needed it and I really appreciated that. Cody brought great personality to the Team and was very helpful in all that he did. Cody was a good man, and he will be missed. My heartfelt condolences go to his son and family.
