“ I recently learned from my cousin Ed Mata that Corine and Ermenio was true to a promise to my mom(Angelica Gonzales) just before she died 44 yrs ago. They promised to make sure her kids were okay, my brother, sisters and I. It was heart whelming to hear that. The times I spent with the Mata's almost on a daily basis, I loved being with her while she was cooking dinner, camping, just being part of the family. Corine loved me SO much that when I ran away in my elementary days, I knew she would let me run away to her house, a whole whopping block from m y house. She showed us so much love. She was more than just a cousin, she was another mom figure. I love you Corine and I will so miss seeing you on my visits to your house.
