“ Danny wasn't just Danny to me. He was my second dad. He almost always had a smile on his face, and always had a good word to share. He showed me that the world wasn't just in my neighborhood. I feel blessed to have known this wonderful man and his family in the way that I do. I will always love my Jones family. Although Danny has left this place, his spirit lives on through Linda, the boys and Deb. Looks like you got that life we ordered from Drug Emporium before the rain check was filled, Dad. You were a wonderful person and will always and forever hold a place in my heart.
Love and prayers,

“ The best gift in life was being able to call you my dad. I love you and you will be deeply missed by me. Thank you for showing me how to be a happy and giving person. You were the best role model that I will have ever had. Thank you for showing me how to play ball and being my coach. But best of all you were my dad. Thank you for everything you ever did for me. I will take care of mom and my brothers. I can't not say enough about you because you were and always will be in my heart. I will always be your baby girl. Love your one and only daughter Deborah L Jones

“ I have been the neighbor of Mr Jones since 2001. He always had a smile and a hand to wave. This is the time of year when the leaves fell from my tree and with a smile on his face, say "your leaves blew to my yard" and I would say, yup the wind took um there. You will be missed my neighbor and I will check on Linda for you. RIP.
