

David Allan Ingram

August 26, 1959 - August 26, 2013

Age 54, born August 26, 1959, passed away suddenly August 26, 2013. He is survived by his loving wife, Yvonne Martinez-Ingram; his mother, Mary Frances Ingram; his sisters, Dianne Ingram and Mary Ingram Taylor; his brother, Vernon Ingram and wife, Linda Decker Ingram; and his brother, John Ingram; his in-laws, Andres and Lucy Martinez; sisters-in-law, Anna Martinez, Yolanda Salazar, and Rita Martinez; his brother-in-law, Adrian Martinez; and his nephew, Andres Martinez, who was like a son to him. David was a master at chess and won his final match before leaving this world. He graduated Summa Cum Laude in 2003 from National American University with a Bachelor of Science in Applied Management. He also earned an Associate Degree in Business Computer Programming from Albuquerque T-VI in 1996. He was preceded in death by his father, Alfred Lovedred Vernon Ingram, and his sister, Judith Lee Ingram Thomas. He was a loving husband, son, uncle, brother, pseudo dad, conversationalist, humorist, computer nerd, baritone summa cum laude, chess wizard, perpetual optimist and genuine friend. Martinez family gatherings will never be the same or as colorful. We are healing through the smile he left behind. “ *I've been in Europe, and I hadn't spoken with Dave in a couple of years. I just went to look him up and was so saddened to find out about his passing. I'm so sorry to hear that he has left us so early. But Dave gave off so much light and love and energy to everyone that he came in contact with that he left us with a great deal to keep us warm in his absence. My heart is with you, Yvonne. I know it's been a long time, but if there's anything I can do, please don't hesitate to look me up.*

much love

“ I met Dave 23 yrs ago at a chess tourney. We were instant friends. It became clear that Dave was the glue that held together disparate elements of the Albq chess community. I fondly remember get togethers in his basement and hanging out at the Coronado. Dave was a talented chess player, but had many other interests. We shared an interest in basketball since we both played in our younger days. Over the years we talked about most everything imaginable and i'm a better person from knowing Dave. Nothing was left unsaid exept farewell my friend. Yvonne, take comfort in your loving family and faith.

“ When Aunt Dollie called with the news, I could not believe it! I am so sorry, Mary Frances, for your loss. I know he will be missed by all of you. What a smile! I have a favorite portion from Wordsworth's *Intimations of Immortality* that has comforted me when there has been a loss in my life: "What though the radiance that was once so bright be forever taken from my sight; though nothing can bring back the hour of splendor in the grass, of glory in the flower, we will grieve for a season and find strength in what remains behind." I changed one or two words but the message is clear - David will never be forgotten and you have been blessed to have him for a season. My prayer tonight is for his family, friends and loved ones.

“ *This is a tremendous loss, made worse by being so completely unexpected. My deepest condolences to his wife and family. I will miss his sense of humor and passion for life. With his perfectionist spirit, many times we analyzed chess positions for hours on end. But he was much more than just an excellent chessplayer. Mostly I guess he was a great guy to be around, always cracking jokes, always able to see the bright or funny side of any situation. How very very sad that we will not be the beneficiaries of that anymore. Goodbye Dave, may you rest in peace.*

“My deepest, heartfelt condolences to the Ingram and Martinez families and to all who were lucky enough to know & love David, as well. I am very fortunate to have had David as my dear friend over many years. We first met at Del Norte High School in 1975 & though we had many classes together in our time there, the most fun we had together was in our drama class! Though David was not shy by any means, he was slightly timid about being on stage at first. (Of course not for very long...he was quite a ham & also a real talent, not just comedic but dramatically too.) Anyway, we played starring roles opposite each other in Paul Zindel's "The Pigman", portraying confused/awkward teens (go figure) and there was one scene where David & I had to do a kind of ballroom dance, playing like we were adults and he had to take me down into a dip, which worked fairly well overall when rehearsed. However, not long before our opening night David broke his arm, had to wear a cast and actually dropped me on my bottom during one of our performances!!! We just Laughed & improvised, pretending it was in the script, everyone believed it was supposed to be, thankfully!

Well, because David was actually like a part of my family for a number of years after high school, there are countless memories I could share, that was just one of the earliest & also funniest, so thanks for making me smile, laugh, cry & feel everything we were lucky enough to share my dear friend, catch you again on the flip side! Lots of love, always & forever!!! Your friend (& bruised bottom leading lady,) Cathy Germack

P.S. (I still have many Kodak moments I'd like to share with all, we shall see if I can do so in a timely manner.....) XOXOXO
