“ I worked with David many centuries ago at Gas Company of New Mexico. I have seen him infrequently since then. I was saddened to hear about Dave -- I wasn't aware of his illness and I am sorry that I did not talk with him in the recent months before his passing. My wife, JoAnn, and I express our condolences to the family.

Dave was one of the good guys -- he was well-respected by his peers and his friends. I am proud to have been both.

Dave, rest well, my friend, beyond the worldly pains and anxieties.

“ I worked with Dave at MGE and he was the best boss I've ever had. Dave had a wealth of knowledge and was not afraid to share it. Dave was a kind, gentle spirit who will be greatly missed.

“ I did not know Dave well although I did get a chance to meet him on a few occasions. My Dad, Jon Jones, was a very close friend, colleague and business partner with Dave. My Dad had a deep respect for Dave and always spoke highly of him and was very proud of the successful Engineering Consulting business they formed together more than 20 yrs ago.

*Our deepest condolences go out to the Kirkland Family during this difficult time.*
