“ Hello, I am looking to raise money for the smith family. Dave Smith was taken too soon at the age of 48 from a heart condition and has left behind an amazing wife Denise (45) to take care of four children, one with Smith-Magenis syndrome. They have a daughter Dori 18 years old a senior in high school who helps out tremendously with her younger siblings, Sierra 16 with smith Magenis syndrome www.prisms.org Sicily 13 , and Ryan 10. The money we can raise will go towards food, clothing, and a roof over their heads also any funeral costs. Please help out a family in need, any amount helps tremendously. Thank you for your time. God bless you and your family. Click link to help support <http://gofundme.com/lwlb9c>

“ *Denise and family,*

Our thoughts and prayers are with you all. We had the pleasure of meeting David (and your entire family) at the PRISMS conference in Denver. We could tell that he loved his family...in fact, he took the kids swimming so Denise and I could have some alone "mom time"!

Such a heartbreaking loss, but especially difficult with our unique family situation. If there is anything we can do, please don't hesitate to ask. We only know you through SMS, but it feels like the strongest bond.

Love you.
