“ I'll never forget all the good times we had in high school and after. The old '40 Ford sedan was a blast. Rest in peace David, you were a good friend.

“ My condolences to the Spain family. David took me on my one memorable balloon adventure. I say adventure because the landing was quite rollicking. I remember David yelling "hang on!" and I remember thinking that wasn't necessary because I was wrapped around whatever I could grab like a Titanic survivor. David remained calm and funny and finally landed us. Looking back it was a great gift he gave me. A once in a lifetime adventure. He is fondly remembered. My thoughts and prayers to you.
