“ *A special memory of Desirae Barela*
I had the honor of working with Desirae the summer before her junior year. We met at the ABQ Library to read together. She was gone for part of the summer visiting relatives, I believe in California. Before she left and after she came back, she was a joy to have in class: fun, funny, joyous, and bright with ideas to write about. She wrote to a mentor at Reader to Reader named Jeannette. Jeanette took great pleasure in reading and responding to Desirae's ideas and wonderful questions. Desirae talked about seeing her brother with such love in her voice. She will remain in my heart always, and her smiling face will raise my spirits continually. We've all been so fortunate to have this beautiful soul in our lives for 18 years. She gave us enough love for a lifetime.
