“ *Dugger Family,
I have only had the pleasure to know DJ a few months. In the short time I have known him I found out that he was a compassionate man and he had a heart of gold. My 12 year old son and I were fortunate enough to have spent the day shooting with him just a week prior to him passing. Although nothing out of the ordinary happened, we will never forget that day. He was a solid guy that would give the shirt off of his back to help out. He will be missed.*

“ Dear Nickie,
Many construction workers only do one thing and one thing only. Thanks to Don who was so skilled and in every aspect of construction, he got me started in framing, rocking, taping, doors, hardware, acoustical ceilings, floors. I credit him for the multi talents that I have. My only regret is that I didn't keep in touch with him and I will forever regret that. Nickie I wish you and your family his family, and everyone that knew him heart felt condolences in the loss of such a wonderful man.

God rest your soul Don

“ To the Dugger and Coyne family:
I am deeply sorry for your loss. Find comfort in the knowledge that he is happy, safe, loved, and at peace with our Heavenly Father. My thoughts are with you all.

"But our citizenship is in heaven, and from it we await a Savior, the Lord Jesus Christ, who will transform our lowly body to be like his glorious body, by the power that enables him even to subject all things to himself."
