“ Hi Shanna,I just want to pay my condolences to you over the loss of your father.He was a very nice man to me.I'll never forget how nice and humble he was to me when you introduced him to me.I still have my father around and I can't imagine life without him,so I can only imagine what you're going through.I'm so sorry.I'll never forget how he told me that he would let me marry you if I became a Marine,and I remembered I was willing to do so just to marry you,lol! That was a great memory I had of him as he was bbq-ing in the back of the trailer.Hope this note finds you doing well.I know we're no longer together, times change and hearts do too, and you may be married now,but I would love nothing more than to be friends and say hi to you in person and just give you a big hug,I know this message is nearly a year old ,but I just stumbled upon the sad news ,again,I'm sorry about your father,please email if you'd like at upsrooster@gmail.com,would love to hear from you, Sincerely,Terry Holsapple
