“ *I will miss your calls dear sister and I will also never forget back in the late 40's (around 1949) when you went to a dance. Your gown was emerald green and you were absolutely gorgeous in that gown with your Auburn hair---and I remember saying to you "ooh, Donna, you are so gorgeous, you look like a movie star"...and I will never forget that night as long as I live. I have many more memories too I love you.*

Until we meet up yonder---your loving sis, Betts
