“ Sean, Jordan and Family, Please accept my sincerest condolences. Donna was a true inspiration: she took me under her wing when I started working at NNSA, and she went above and beyond just being my mentor. Donna was always guiding me and taught me everything she knew. She always knew how to make the best of any situation. At work whenever you heard laughter or saw a crowd gathered around you knew Donna must be around. She will be greatly missed by everyone. Heaven just needed another angel and they took the best, Enjoy your new life in heaven BFF, Krystal

“ My heart was deeply saddened when I read of Donna's passing. I count it a privilege to have known Donna through the years of working together. I always said: "If you want something done, and done right, ask Donna, because she puts her whole heart into everything." She was such a blessing to me through the years, and I know she deeply touched many people. May God comfort your hearts, may He wrap His loving arms around you, and bring you peace and comfort in knowing that precious Donna is not suffering any more. She was loved by many!

“ Sean we're so shocked. I hardly know what to say. Life is so unpredictable and just plain cruel at times. All we can do is muster the strength to continue for ones that depend on us and love us. I know words can hardly provide any solace. But we want you to know how sad we are for you and Jordan.

“ Donna was a very nice and fun person. I will never forget her. I still have the little "arts and crafts" she made and gave to me. In fact, one is hanging in my home office, one is hanging on my Christmas tree, and the one I like the most is a "hanging" nativity scene. My condolences to the Coucke and Rodriguez family, may God comfort you during this difficult time.

“ Sean, I cannot express my sorrow enough. Donna was such a wonderful person. She was the one who kept the spirits up at work by making me help her plan the activities for Los Compadres. She loved that kind of thing, and always did it with such joy. I can't believe she's gone. I didn't see her often after she left work, but thought about her much. I hope her life after she left NNSA gave her the peace she was looking for and deserved.
