You are going to be missed so much by so many, especially Dad.
Oh how he loves you. Ashley, Jeremy and myself love you as well
and will miss you greatly. I'm honored that I could be there for you
and take care of you to the very end. No more pain. You are in
Heaven now with all of our loved ones that have passed before you,
playing your violin before God and the angels and you are healthy
once again. We love you and will take care of Dad.. til you and he

“ *Dear Ed and family,

Sorry that her violin is now silenced. I missed her laugh, and talks
about her cat Piewacket. She was a great stand partner. I am
grateful for her introducing me to Tony Hillerman books.Her
Glazonov Concerto with the Galveston Symphony was beautiful.
We all will miss her greatly.*

My entire family has been blessed to know you and I still "...so totally admire your love for Doris!" I will miss her smile and seeing the light in your eyes, when you'd talk about her.
