“ Met Dorothy, her mother and brothers when I traveled with a cousin from Tennessee to visit in 1949. Gertie, her daughters and sons were an amazing family. Kept in touch for years when meetings were held in NM and when we lived there in the 1980's. So sorry to hear all have gathered in heaven. Deepest sympathy to all the family.

“ I worked at the retirement center that Dorothy & George lived at in 2006 & 07 and they were the nicest couple. I still have some of George's cards and now Dorothy has gone to join her beloved husband.

She is sitting with George at the Master's table listening, once again to George's jokes, and flashing her beautiful smile.

May He comfort the entire family as they celebrate they rejoining of their parents.

“ *We remember with great fondness the many meetings of the Order of the Eastern Star that we attended with Dorothy and George over the years. They were a great couple and are very sorry to hear about her death. Yet it is in God's plan that each must travel this path and each must do it alone. The beauty of our faith is that George will be waiting for her and that they will be together again.*

“ When you have a mom as perfect as Mrs Walker it is hard to express the loss to my dear friend Mark. I will always remember how nice she treated me as we were a handful as teenagers. I guess she had practice as we were the last of the boys. My feelings for your loss Mark are the same for me also. Greg Eakes

“ Psalm 55:6-8

6 And I say, “Oh, that I had wings like a dove!
I would fly away and be at rest;
7 nyes, I would wander far away;
I would lodge in the wilderness; Selah
8 I would hurry to find a shelter
from othe raging wind and tempest.”

“ *The transformation of a butterfly is comparable to a new christian, all sins are forgiving and we start anew or a newlywed couple, when your life together starts...a life of sharing, one love, one dream, one heart.*

I Am Always With You

*When I am gone, release me, let me go.
I have so many things to see and do,
You mustn't tie yourself to me with too many tears,
But be thankful we had so many good years.*

*I gave you my love, and you can only guess
How much you've given me in happiness.
I thank you for the love that you have shown,
But now it is time I traveled on alone.*

*So grieve for me a while, if grieve you must
Then let your grief be comforted by trust
That it is only for a while that we must part,
So treasure the memories within your heart.*

*I won't be far away for life goes on.
And if you need me, call and I will come.
Though you can't see or touch me, I will be near
And if you listen with your heart, you'll hear
All my love around you soft and clear*

*And then, when you come this way alone,
I'll greet you with a smile and a "Welcome Home".*
