“ I have great memories of visiting the farm to work on the equipment for Bob and Edith. Edith always had a meal a Great tasting meal for Bob and I at lunch or night what ever the time was that we finished work. She always sent fruit or vegies what ever the season was home with me She was afraid of high mountain roads like the one from Cloudcroft to Alamo. We were Deer hunting at Cloudcroft and she kept telling Bob to slow down slow down when we were coming home. God will get to enjoy her beautiful spirit now..

“ We all have fond memories of Aunt Eddy, Spending Christmas evening at Uncle Bob and Aunt Eddy's house waiting for Santa to visit our house will always be a cherished memory for us all. Just the thought of her not being with us is very saddening. We know that she and Uncle Bob are together looking down on us even now, waiting for us all to join them in the afterlife. Our deepest sympathies go out to you all in this time of loss. Love and well wishes from all of Aunt Eddys little chicks.
