“ Our condolences to Elfrieda's family. From my youth, I remember the eight Dannhoff siblings gathering for special occasions. Elfrieda's bright smile and attitude was infectious. The world needs more, not fewer such people. I am also saddened that as the son of Verner Dannhoff, Elfrieda represented the last of those eight, my last aunt. Memory will keep them all alive for me.

“ I will always remember he special smile and laugh. I remember the good times I had when our family visited with you in Chetek, and when she came to town to visit. I will keep your family in my thoughts and prayers.

“ Sandy just let me know about Aunt Elfrieda's passing. I have fun memories of her. Though our families seldom shared time together, I remember looking her up when my husband and I were visiting his family in Greeley.

Though it had been years, the time melted in one afternoon.

Know that you are in my thoughts and prayers.

I can only hope that the reunion of family happens at this time. Here on earth and in the heavens. I know my Dad, Vern Dannhoff, would like that.

Take Care, and hang on to those memories that warm your heart.
