I'd like to thank her for not only being my best friend but part of my family. I knew I could count on her visits Tuesday's & Thursdays faithfully. I will never forget her smile, laughter, but most importantly her friendship. She will forever remain in my heart and never forgotten.

“ Oma passed away at a young 87 years of age. She was so full of life and brought happiness with her wherever she went. She raised her children, my brother and I and has been an amazing influence to her great grandchildren. Oma battled lung cancer this last year and somehow still maintained her spunk and love for all until her last few days with us. She had been such a tremendous part of my life and I will truly miss her. Although she is not physically here to hold my hand though life's journey, she will forever be in my heart and watching down on us from above. She was surrounded by my family for her final days before she passed and in the arms of so many that loved her so much. The comfort of her family was her focus for all these years and the opportunity to spend her last moments with her shall be cherished forever. To everyone that knew my Oma and had the chance to experience her kindness, we thank you for your thoughts and prayers. She will be missed by all but please remember she is in Heaven now and is peaceful. Thank you, Oma, for loving us all so much and always being the heart of this family.
