“ I went to call Mrs. Albertson and the phone had been disconnected...I had a small feeling she may have passed...I was not sure...until now...
I really enjoyed visiting her at the trailer court on Zuni...She was always in good spirits and loved to show me her dolls...I will always remember her kindness and her special voice...

My deepest Condolences to Jeff and the rest of the family!

“ My husband Scotty (Now deceased) and I sure liked Ella. She treated us with respect and dignity each time we saw her. I don't believe she ever had an unkind thought about people in general. My deepest sympathy goes out to the Albertson family...she was indeed a great woman.

“ Dear Albertson family so sorry for your loss. Ella was a great lady with boundless love and energy. Whenever illness or misfortune struck she was there to lend a helping hand. Many fond memories of her get-togethers, her delicious and beautifully served dinners where there was always room for one more.
