“Dearest Zamora Family you have always remained as a light in my heart and I was thinking just a few days ago that Steve should be close to 100 now. I was not prepared to read of his passing but I know that he will be in good company as he celebrates his new life with Christ and Pepper will be so happy to have him back to play with him as they did so long ago. I will always treasure the memories of the salt shaker hanging on the back wall, camping and his guitar strumming and singing on the back porch as well as his beautiful creations. May your time of grieving be filled with the love of family and friends and the beautiful memories. I am sad that I cannot share this time with you but will be praying for all of you and you will all continue to be in my heart and prayers. Forever my friends - Carol Sesma Peterson
