“ *No words can properly express what Doralene meant to students, staff and most importantly her family. Her ability to work with some of the "toughest" students was amazing. She always went the "extra mile" to help those around her. Her kind spirit and heartfelt generosity will be missed. My thoughts and prayers are with not only her family, but also the extended family she created as a true educator.*

“Doralene was full of fun. I would visit her in the classroom and I would always leave with a smile on my face. Doralene saw the positive in everyone. She was a woman of generosity. She did and gave for her family and friends and students. She would even share her lessons with me as I brought them and her ideas back to Artesia where I taught school. She was my Brother Mike's right hand! Even when Doralene retired from the school system, Mike would be calling Doralene, I need HELP! Oh what will he do without her? Doralene was at birthday parties of my family. She never forgot holidays and oh how Super Salad lunches was a joy just to talk and laugh with her!! Doralene just became part of our family!!! I will miss you Doralene!!! You are no longer in pain!! I bet that you and my mama are communicating and laughing right now in heaven!!!! Love you, Sandra DeVito

“Doralene was my educational assistant for 22 years. I don't have words to describe how wonderful Doralene was to all the students and to myself. She was the person that kept our program together. I can't count the times we stayed and talked and shared, laughed and cried together. Doralene was part of my life for 25 years and there was nobody like her. Doralene showed me what life was all about, her warmth, caring, kindness, and all her love. I love this lady so much and I already miss her.
