“ *Felicia and I lost touch after graduation, but I remember her incredible vision, shots and passes on the basketball court. Unlucky for her, she was so good she often faked her own team out-- or maybe just the big girl inside (Coach Bachis used to tell her to just throw the ball at my head if I wasn't looking). She had remarkable joy and charm and kept those seasons full of adventure and laughter. Her heartfelt rendition of Billy Joel's "Piano Man" is permanently seared into my brain from one of many bus rides to Santa Fe or Moriarty.*

I am so sorry for your loss, and I hope that you can find some peace during this time.

Much love,

“*Felicia aka "Fifi": I sit here today and think that I will wake up from a bad dream, but I cannot be selfish and must let you be free. You were the best friend that everyone should be blessed with. I was so fortunate to have been blessed with you as a part of my life. I missed working with you, eating our usual order at Lam's. Thank you introducing me to one of your favorite artist's "Michael Buble". Now when I listen to his music, I will be reminded of you. They say people enter your life for a reason or a season. I believe you were a reason. A reason to remind me to live life to its fullest, a reason to love everyone around me and a reason to work hard and play hard. May you find that paradise with our Creator. I love you my dear friend you are forever in my heart!*

“*Dear Reyes-Herig Family,*

We are so sorry for your loss. We didn't know Felicia very well but being in the "Sandia Basketball Family" made us all friends. I can remember all of us sitting to cheer on Drew, Elliot and the rest of the team. May the Lord give all of you strength and compassion as you deal with your incredible loss.

Always,

“*Felicia, they say the good die young, you are proof. We only worked together for five years, not a day went by that you would come in with a big smile, a good laugh, and touselling your hair, you made everyone feel welcomed in your life, and later on when we saw each other passing on the streets you would shout a big hello, with a smile, and still running fingers in your beautiful long curly hair making me feel like we never have missed a day. That's what I will remember, thank you Felicia for being that person that everyone loved to gravitate to, your warm personality, infectious smile who made this a better place to live, may your family and friends find comfort in the memories you left behind.*”

“ To my dear extended Reyes family:

My heart goes out to all of you as you grieve the death of your beautiful daughter, sister, Godmother, aunt, cousin, fiancé and friend Felicia. I can't begin to imagine how difficult it is for you right now. You have always been an inspiration to me as one of the closest, most-loving, warm and welcoming families I have ever had the privilege to meet!

My prayer for you is that you will find some comfort in the cherished moments and memories you have of Felicia. She will always be with you. I am sure you will think about her every day forward, and I pray that knowing she is with Jesus now and out of pain and discomfort will bring you increasing peace.

“*My family & I extend our deepest condolences to the Reyes Family. Felicia was a big part of my life during our years at Our Lady of Assumption. There was never a day that went by that she did not have such a beautiful smile on her face. She was always the life of any event. Another Angel called to Heaven to watch over the ones she loves. “ *I was blessed to know Felicia, even if it was only a short time. I remember her smile, light heartedness and how easy it was to laugh with her. My first year at NMSU was filled with so many memories with her. She used to give me a ride when she went to Albq. and my parents would pick me up at her house. Then, on Sunday, I would get dropped off again at her house, and on our way down to Las Cruces, we would stop and get two LARGE pizzas from Deon's! She introduced me to ranch dressing with pizza. Since then, I have never been able to eat pizza without. I loved that we also played softball together that year. She introduced me to all her friends from Academy, they were a great group. Felicia and I would hang out with April, Mike, Tony, Greg and sometimes Angelo, and go bowling on Tuesday nights!!! She even showed me how to pierce my own ears!!! Haha! After I left to ASU, we still got together over Fiesta Weekend. She came down to see me when I got to town. I feel like i'm rambling. Please know that my prayers go out to all her family. May God bless and be with you all. Susan Shannon (now Susan Lopez) NMSU 1990-1991.*
