“ Please accept my most heartfelt sympathies for your loss...my thoughts are with you and your family during this difficult time. The picture of Aunt Florence is how I remember her. When someone you love becomes a memory, the memory becomes a treasure. Those picnics, card games and parties were the best times and are my treasures. My Aunt Florence is now at peace and with the other family members who have left before her. I will hold on to those memories forever. Take care my cousins. Love always, Cheryl
