

Hattie Belle Butler

July 7, 1976 - July 29, 2013

Hattie Belle Butler, Born Hattie Belle Ferrel on July 7, 1976, in Albuquerque, New Mexico to Don and Helen Ferrel lost her long battle with breast cancer on Monday, July 29, 2013, at the age of 37. She loved horses, friends, life and most of all she loved her family. She was preceded in death by her older brother Jason Webb Ferrel who died while both were young children. Her accomplishments in life were great and numerous in that she touched the lives of many and left behind a legacy of love and inspiration to all who knew her. She spread laughter and joy to those she knew. She was a loving wife to her husband Bobby Butler who had the good fortune to take her hand in holy matrimony on November 18, 2000. She was an incredible loving mother and friend to her two children her daughter Shelby Lynn Butler age 10; and her son, Cooper Daniel Butler age 8. She had the rare ability to inspire warmth and love in those she met and had many long lasting friendships and many will surely miss her. She was a loving and incredible daughter to Donald and Helen Ferrel and an equally awe inspiring older sister to Brent M. Ferrel who like all others will miss her dearly. She was a great sister - in -law to Carrie Bradford and Uneik Ferrel and a wonderful daughter- in -law to Frank and Cindy Butler. Her legacy will live on in the hearts of those who knew her and her two incredible children. The world has lost a truly spectacular person, and we, who knew and loved her, are at a loss for her going, but our lives have been immeasurably enriched for knowing her. It is with great sadness and a hope in life eternal, that we say goodbye. A visitation will be held Thursday,

August 1, 2013, 4:00–7:00 p.m. at FRENCH – Westside. Funeral Ceremony will be Friday, August 2, 2013, 2:00 p.m. at Monte Vista Christian Church 3501 Campus Blvd. NE, Albuquerque. Please visit our online guestbook for Hattie Belle at www.FrenchFunerals.com

“ I knew Hattie in middle school. She was such a loving and giving friend. I knew nothing negative about her. What I remember most is her painting her nail a new color every day. I wish we had kept in touch. To her family, we are so sorry for your loss. I will always remember her exuberant spirit and keep her close to my heart!

Lots of love from The Tsosie's - Regan, Tennille and Cocoa Butter!

“Hattie was a wonderful neighbor of mine. I remember a few years ago when I was a freshman, I was getting ready for homecoming. My friend texted me saying she couldn't do my hair, and I don't really do my hair. So I rushed over to Hattie's and asked her if she would do my hair. She got this huge smile on her face, and said of course. She was the first person to ever curl my hair, and she and I both had so much fun during it. I got so many compliments that night, and I told her the next day, and she just laughed saying she just did my hair, and I did the rest. She was so much fun to talk to, and I will miss her great personality and loving towards everyone she knew. Rest in Peace

“ To the family of Hattie, I am so sorry. I read the beautiful description of Hattie and saw her pictures and I have tears in my eyes as I think of the terrible loss you are experiencing. Sickness and death bring with them so much sorrow, but the Bible shows that there will soon be relief. Revelation 21:4 describes the end of all such sources of pain. God hates death, he views it as an enemy. (1 Corinthians 15:26) He has "a yearning" to conquer that enemy, to undo death by means of the resurrection. He longs to bring back those who are in his memory and to see them live on earth again. (Job 14:14,15) I hope you find some comfort in these scriptures. You are in my thoughts and prayers.

“ When Hattie worked at DPS she was in the accounting room getting a little hungry, so naturally she went into our kitchenette and put in her microwave POPCORN into our little office microwave. For some reason she pushed the 6:00 minute button instead of the 2 minute popcorn button without knowing, she proceeded to leave the room to go check on something in her office and came back to BLACK smoke coming out of the microwave and a horrible smoke smell that started to permeate throughout the office, she even said the bag was on fire and had to throw it out the back door, the only thing that did not happen was she did not set off the fire alarm, thank goodness, she admitted to the whole thing because they had to throw the microwave away because they couldn't get the burnt smell out of it or the singes off, but we all had a good laugh and just thought WOW I didn't know we could burn microwave popcorn and boy did it stink up the place. Forever more I will not burn my popcorn because Hattie taught me a lesson that day, I can still hear her laughter which was very contagious and warming at the same time. YOU WILL BE MISSED Hattie! Always!

Kathy Grand - August 01, 2013 at 12:31 PM

“Hattie worked with me at Dekker/Perich/Sabatini Architects for several years. She was in accounting....and what a hoot she was! Always a joy to go into that room and see her....."what's shaking chica?" is usually what she greeted me with. We would laugh about everything. I loved her sense of humor and her smile, the Pampered Chef Parties at my house.....EVERYTHING about Hattie Belle Butler was perfect and amazing. I* remember when she left DPS to take of her children....it was a sad day in accounting because the laughter was gone, my friend was gone. Again, it is a said day for me personally....I admired Hattie for her tenacity, sassiness, sense of humor, smile and her love of Bobby and the kids and her mom and Dad. She will truly be missed. I hope she is heaven is smiling and laughing like we did in the old days :) I love you Hattie and I will never forget you, ever. Love, Ann Marie Dennis

“We knew Hattie in 4-H, she was a teenager who had a great impact on the new kids just starting out. JR was just starting in 4-H & Hattie was a role model & inspired many lives. We always remember her winning smile. We are saddened to learn of her passing. May God bless & hold her family in this time of sorrow.

“ We didn't know Hattie in her adult life, but always remember her from 4H. In Kathy's baking class, especially, she was always smiling and always interested, always making us feel good in her presence because of her consistent positive attitudes. We're so saddened by your loss. Our prayers & thoughts are with all of you.
