

Hattie "Penny" Foster

April 4, 2014

Hattie "Penny" Foster passed on April 4th of natural causes. Originally from Boston, Massachusetts, the family moved to Albuquerque in 1964. Penny was preceded in death by her husband, Benjamin in 2000, and her eldest son, Karl in 1971. She is survived by two daughters, Martha and Mimi; and two sons, Malcolm and Jonathan. Penny was an Administrative Assistant to D.W.Falls Land and Development for many years. Coupled with raising five children, her energy seemed limitless as well as her love for her family. Along with her arts and crafting talents, she was a cross between June Cleaver and the better side of Martha Stewart. We were fortunate to have mom for so many years. She will now re-join her own mother whom she lost at age 29. We love and will miss you, Mom. Services will be private.

“ Martha, Mimi, Malcolm and Jon,
I am so sorry to hear of your mother's death. she was a great lady
and I loved the comparison to June Cleaver and Martha Stewart.
For some reason I've been thinking about your Mom and it kept
nagging at me until I came and looked on line.
