

## Jack Dailey

September 6, 2014

Jack Dailey, age 80, passed away on September 6, 2014. He is survived by his children, Erin, Shannon, and Charlie; daughter-in-law, Stephanie; and grandchildren, Brooke, Tera, and Rebecca. He was preceded in death by his parents, Charles and Eloise; brothers, Carl and Chuck; and son, Patrick. Jack was a long time resident of New Mexico, having come to Albuquerque in the 1950s to play football for UNM. He remained an avid Lobo fan, and was the first recipient of the Tucker Award for his support of Lobo golf. Jack was a successful realtor/developer and one of the original homeowners in both Sandia Heights and Tanoan. He loved all sports, especially golf, and a morning tradition was eating breakfast at the Tanoan grill. He was a loving father, grandfather, husband, and friend, and will remain forever in our hearts. Memorial Services will be held Friday, September 12, 2014, 3:00 p.m., at FRENCH – Wyoming.

“ Jack was not just my Father-in-Law, but a great friend. We shared a lot of good times and through it he shared his wisdom and experience as someone who truly lived and loved life. He was a wonderful Grandfather to Brooke and you can just see the glow in his face in the pictures with Brooke and his other Granddaughters. He will be remembered by all of us who loved him.

“ I was raised across the street from Jack and Jeanne on Rhode Island Street in the late 60s and early 70s. I babysat for Patrick and Erin; they were adorable kids. I have not seen Jack in many years but I remember him fondly. He was always so friendly and kind. My deepest condolences to his family. Nancy Whalen.

“ I was fortunate to work with Jack for a number of years and will always remember him as friendly and great to work with. He was always willing to share his years of real estate experience to help any of his fellow real estate workers. In more recent times, he always had a smile and hello for me and my family when we would see him around the neighborhood or at Tanoan. Linda & Dan Hartley

“ Jack was the most positive person I ever knew. An even handed fair person who got deals done on a trusted relationship basis. All this despite some very challenging years earlier in his gracious life. I will always remember him as one of my father's best friends and as a role model that my generation was watching. Our parents generation knew how to balance life in a way that kept relationships thriving regardless of external influences ! I have had numerous contacts from my generation since the news of Jack's passing. A sense of loss. Wow I guess he really had an impact on our generation ! We miss you Jack, our thoughts and Prayers go to your Family. Louis & Stacy Abruzzo and Family.

*Jack holds a special place in the hearts of most early Sandia Heights residents. We mourned with you, Jack and Jeanne, while saying goodbye to your spirited young son Patrick. But now we say, "Thank you, Jack, for everything you did to help build our treasured foothills community." Rest in peace, my friend. --Ann List*
