“ We were most saddened with the passing of Jack; his smile and extraordinary stories of life were a feast of entertainment and enjoyment. We will forever think of him when Continental Airlines comes up and will never forget him launching champagne corks over the back fence. He truly enjoyed his work with the open spaces program and took the job seriously. Jack may be absent from our lives now, but he will reside in our hearts and thoughts forever. Gina, best to you and we look forward to seeing you soon.

“ Gene and I were saddened to hear of Jack's death. Gina, we are thinking of you and your family. We have great memories to look back on. I worked with Jack at Continental and we had some interesting times! He always had a smile for us and backed us up when there were problems. Had lunch with him a few years ago and am thankful for that, too. Our thoughts and hugs with you. Los Castillos, Gene and Karen Jo
