“ My condolences to the Powell family. I knew Jackie as a very young girl. She was in my kindergarten class at Mark Twain. She was such a joy all the time. They say that people come into your life and leave footprints, I think she was one of those that left footprints in my life. What a beautiful young lady she had become. I feel very proud to have been a small part of her very young life.

“*Jacque was my student in a District Program at Manzano High School. We all moved to Del Norte High School in 1992. Jacque was a wonderful individual, always positive, always encouraging fellow classmates, always willing to try something new and always a joy to be around. I have run into her on several occasions since our days at DNHS and her brilliant smile was so welcoming! I will miss her and her adventuresome personality who never let anything stop her from experiencing the community and world in which she lived. All my thoughts and prayers to Jacque's family. She was a treasure that will be missed!*

She gave so much to others from her generous love of people. She did live a full life, despite her challenges. “ Jacque was a rare gem in our world. She touched my heart and made a tremendous impression on my life. I remember her being full of spirit and spunk, finding joy in everything. Her smile could lighten the darkest of moods and her sense of humor was not far behind. I remember when we went horseback riding and the faster and bumpier the trot, the harder she laughed....good times and great memories! May God comfort all of the Powell family as they mourn the earthly loss of a remarkable daughter, sister, aunt, niece, cousin and friend and as heaven gains a loving, beautiful and precious soul.

“Jacque was one of those rare people in life you have the privilege of meeting. Throughout her life she was passionately active with her family, friends, neighbors, work, church and volunteering. She also knew how to have a good time, loved the outdoors, sporting events, playing cards and making things for her family and friends. Jacque loved to travel, and would immediately make new friends on her journeys. She was a loyal Dallas cowboys fan, being steadfast in their wins as well as losses. Her determination, pioneering spirit combined with her compassion, patience and caring made her a great advocate not only for herself, but especially for others. Jacque received many employment awards at Adelante during her 10 years there. She also received recognition for her card business, featured in the Albuquerque Journal ; obtained the Governor’s achievement award in 2004; was featured by the author, James Nathan Post, in the “Corrales Friends”. Just days before Jacque’s death, she was very excited about a new vocational opportunity offered to her by Cornucopia. She volunteered to be part of a pilot project sponsored by UNM, CDD, DVR and DDSD that offered her the opportunity to be more involved in her love of gardening. It was an honor to work with and know Jacque. I was inspired, challenged and motivated by her courage, initiative, independence and pioneering spirit. To me she will always be a great icon of the American West. I will always be grateful and never forget all that she has taught me. My deepest condolences to her Mother, family and loved ones. Your loss is unimaginable. May she continue to be a guide and be a compassionate ear during your darkest and joyous moments.
